

Calling all students...

- Do you have ideas or suggestions to improve our school?
- Would you like to meet with the Principal on a regular basis and discuss student issues or concerns and possibly offer suggestions?
- Would you like to help work toward solutions to any issues or concerns that students may have?
- Would you like to be a part of the Principal's Student Advisory Board?

If you answered “Yes” to any of these questions, then you are invited to join the *Principal's Student Advisory Board*.

All students are eligible to participate. Pick up an application in the Main Office.

All applications are due by Friday, September 18, 2009.

Please see Mr. Davis in the Main Office
if you have any questions.
