PTA BULLDOG BULLETIN

PTA updates for the families of Lower Nazareth Elementary

PTA President's Corner

LNES Bulldog Families,

Wow! 2023 flew by! Hopefully, our Bulldogs made many memories along the way. The first week of December at LNES is always one of the busiest and happiest weeks of the year. Taylor Nielsen did an amazing job putting together and running the annual Holiday Shops. Thank you to the many volunteers who made that possible. Helping the kids shop is always a very rewarding time to volunteer if you are able to!

Thank you to Tiffany Kindred, Mrs. Netzley and the countless number of individuals who donated items to the Giving Tree. I can only imagine the happiness and hope those gifts inspired to everyone involved.

Much appreciation also goes out to Romina Weikel and Amanda Polkowski, who are the Book Fair Committee Co-Chairs. They were responsible for the books each student received along with scheduling and assisting our special visitors to deliver them.

Please check out the January Newsletter to stay up to date with upcoming events at LNES. Back for the first time since 2019 - "STEAM Night!" Hope to see you there!

Thank you,

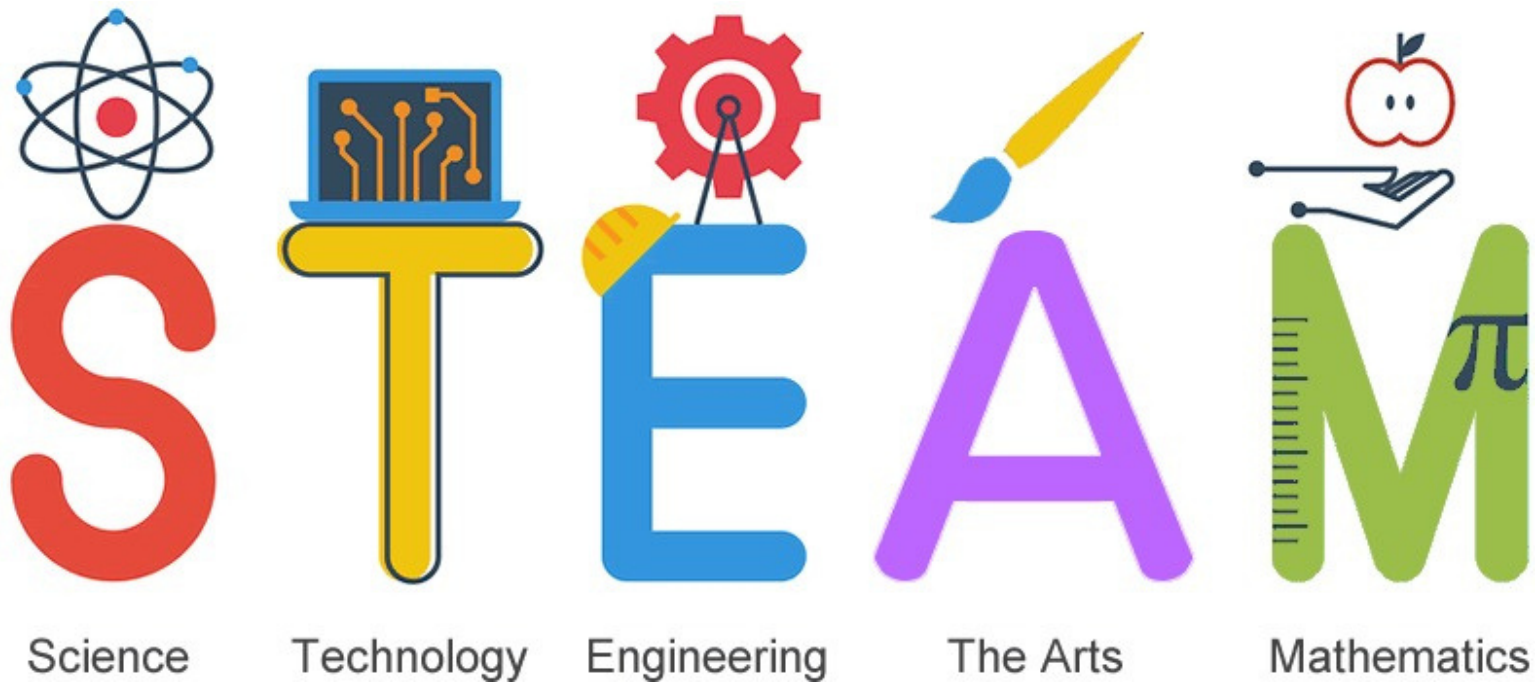

**Beth Janis
