

LNES Kindergarten Supply List

We are so excited to get this year started and are looking forward to meeting all of our new students. As we get settled in, we may ask for donations of other items such as tissues, but this will be done by the individual teachers at a later time. The following list is what we are asking you to have for your child by the first day of school:

- Backpack - Please make sure that it is large enough to carry items such as standard sized folders, library books, and an iPad.
- A spare change of clothing (pants, shirt, underwear, and socks) - Place in a Ziploc bag that is labeled with your child's full name.
- Water bottle labeled with your child's full name - Please make sure that your child can open and close (locking top) this on his/her own. Also, no bottles made of glass should be brought in for safety reasons. Bottles should be cleaned and filled each day before coming to school with plain water **ONLY**.
- Headphones in a Ziploc bag labeled with your child's full name - Over the ear headphones are usually more comfortable for younger students (please avoid wireless/bluetooth headphones). 
- One pack (at least 4) Expo fine point dry erase markers - These specific ones seem to work the best for our students. 
- One pair of Fiskars blunt tip scissors - We found that these are the easiest ones to use. 
- Daily healthy snack - Please make sure it is nut free (and not produced around nuts) until all allergies have been checked. Kindly pack a snack that your child can manage independently.

****Please remember to label all loose clothing items that your child wears to school throughout the year (jackets, sweaters, sweatshirts, etc).**
