

## Welcome to Sixth Grade!

Dear Parents/Guardians,

The 6th grade teachers are looking forward to working with your child during the 2022-2023 school year. We realize that you may want to shop early and take advantage of the numerous Back-to-School sales that are offered during the summer. Most items can be purchased at office supply stores, department stores, or dollar stores. The following school supplies are recommended for the 2022-2023 school year.

We work on building our organization and notetaking skills throughout the year, while managing the materials we use in class each day. Agendas are optional as all assignments are posted in Schoology. Calculators are available in class, however, it is helpful to have a calculator for homework assignments.

### Language Arts & Social Studies:

- One composition notebook
- One spiral notebook
- One-2 inch three-ringed binder
- One pack of subject dividers
- One folder for ELA/SS

### Math & Science:

- Texas Instrument TI30XIIS calculator (check online - Amazon.com)
- Colored pens for note taking like flair pens
- Multiple dry-erase markers with an eraser
- One-1 inch three-ringed binder- with a divider for math/science
- One folder for math/science
- One composition book
- One spiral notebook
- Lined paper to share for scrap paper
- Pack of pencils
- **Optional: Agenda book**
