Dear NAIS Families,

Nazareth Area Intermediate School participates in a Schoolwide Title I program. With a schoolwide program, there is flexibility in using allocations to improve the entire educational program of the school in order to increase academic achievement for all of our students at NAIS.

All NAIS families are receiving the Title I Student / Parent / School Compact along with this letter. Title I teachers work with many of the students in the building at different times, pushing into different classrooms to help students, as well as working with small groups of students that need extra help learning a specific concept or in a specific area.

The compact is a pledge that as a community which includes students, parents and teachers, we are all committed to working together to create the best educational experience for your child. If you have any questions or concerns, please contact us.

Sincerely,

Dr. Joseph J. Yanek, Ed.D.
