

HOW DO I SET UP MY PARENT SCHOOLGY ACCOUNT?

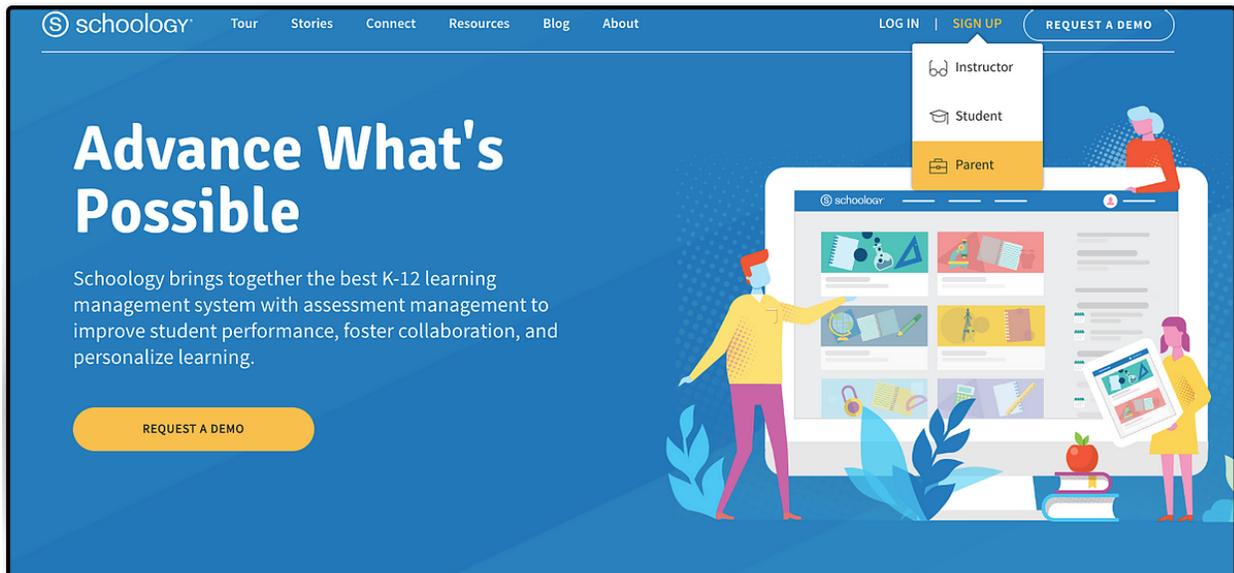

STEP 1: Go to www.schoology.com. This website is DIFFERENT from the website your child will go to to access their Schoology account.

STEP 2: Click on Sign Up on the top right side of the screen.

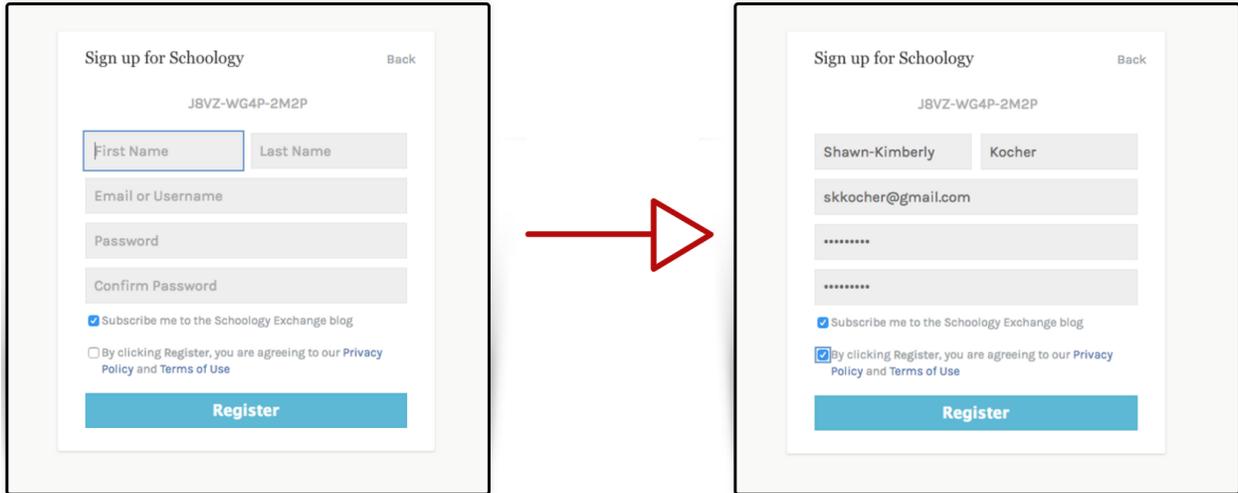

STEP 3: Click on the Parent button.

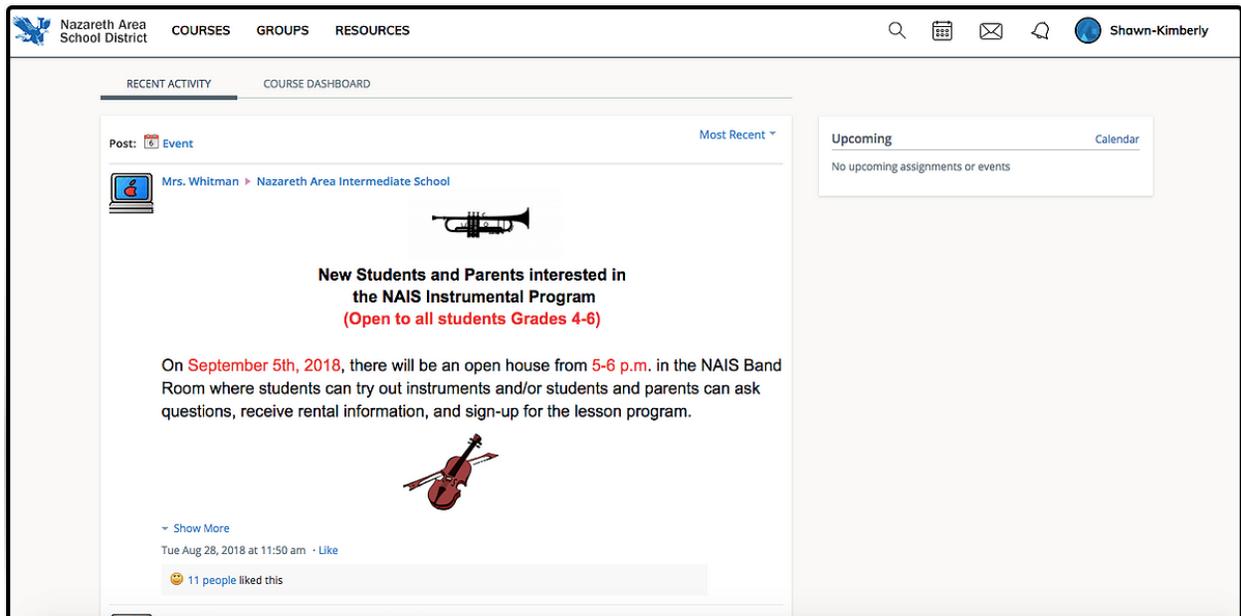

STEP 4: Enter 9- or 12-digit code for your child and click Continue button. If you have more than one child in the district, please select one child's code to enter here. You will add the other code(s) once you are logged into Schoology.

The image shows a 'Sign up for Schoology' form. The form has a title 'Sign up for Schoology' and a 'Back' link in the top right corner. Below the title is a text input field containing the alphanumeric code '1A2B-3C4D-5E6F'. Underneath the input field, there is a label that reads 'Enter the access code provided by your child's instructor'. At the bottom of the form is a large blue button with the text 'Continue' in white.

STEP 5: Enter your information in the blanks and then click the Register button.

STEP 6: Takes you right into your Schoology account. Your name will appear in the top right hand corner of the Schoology screen. You will see updates from the building your child attends under Recent Activity.
