

# HOW DO I SET UP MY PARENT POWERSCHOOL ACCOUNT?

STEP 1: Go to <https://powerschool.nazarethasd.org/public/home.html>. This website is SAME website your child will go to to access their PowerSchool account. Click on the Create Account tab.

STEP 2: Click on Create Account button.

STEP 3: Fill out your information creating a Username and Password for your Parent PowerSchool account. Scroll down.

The image shows two side-by-side screenshots of the PowerSchool 'Create Parent Account' form. The left screenshot shows the form with empty input fields for First Name, Last Name, Email, Desired Username, Password, and Re-enter Password. The right screenshot shows the form with the following information entered: First Name: Shawn-Kimberly, Last Name: Kocher, Email: skkocher@gmail.com, Desired Username: skkocher, Password: masked with asterisks, and Re-enter Password: masked with asterisks. A red arrow points from the left screenshot to the right one.

STEP 4: Type your child's first name in the Student Name box; then type the PowerSchool Access ID and Access Password. Select your relationship to the student in the dropdown menu. If you have more than one child and have their PowerSchool Access ID and Access Password, you can add them on this page. Scroll down.

The image shows a screenshot of the 'Link Students to Account' section of the PowerSchool form. It features a table with the following columns: Student Name, Access ID, Access Password, and Relationship. The first row is filled out with the following information: Student Name: Brody, Access ID: Brody123, Access Password: masked with asterisks, and Relationship: Mother. The table is numbered 1 and 2, indicating that multiple students can be added.

STEP 5: When you scroll all the way to the bottom, click the Enter button.
