

Grade 5 Social Studies

GRADE 5 SOCIAL STUDIES

Fifth grade Social Studies focuses on studying the history of United States.

By the end of 5th grade, students will...

- ✓ Follow the Early people in their journey into the Americas.
- ✓ Compare and contrast different Native American tribes and how they settled in the Americas.
- ✓ Explore the differences between Europe and Asia.
- ✓ Study the paths explorers that came from those countries.
- ✓ Educate them about the colonization of the first American towns and cities.
- ✓ Follow along as multiple counties fight to stake their claim on the new found land.
- ✓ Rally with Colonist as they fight for their Independence from England.
