

K-3 Art

GRADE K ART

Kindergarten Art focuses on exploring art tools, concepts, cultural connections, and art appreciation.

By the end of Kindergarten, students will be introduced to...

Drawing

- Geometric and organic lines and shapes
- Use of size, shape, and placement of images

Painting

- Use of color
- Utilization of various painting techniques
- Safe use of tools and supplies

2-Dimensional Construction

- Appropriate application of glue and/or paste
- Safe use of scissors
- Following line and contour of shape with scissors

3-Dimensional Construction

- Differences between 2-D and 3-D forms
- Rolling clay into recognizable forms
- Pinching clay into recognizable forms
