

A fifth grader practices tricks — and persistence — with the mini skate park they designed.

Third graders build collaboration skills as they create their very own pop-up business.

A first grader uses creative problem solving to turn a robot into a stuffie with style.

FIND FUN CHALLENGES IN A TYPICAL DAY AT OUR ALL-NEW 2023 PROGRAM

A.M. BASE CAMP

Drop off your camper with qualified local educators who start each day with games that spark creativity.

MIMICBOT™:

Campers transform their own robot into a one-of-a-kind stuffie, and then take their creation home to inspire more original ideas!

CATCHING AIR™:

When they design their own mini skate park, campers take on ramps and rails in an epic ride through physics, engineering and art!

GAMES & LUNCH

Half the campers head outside to play action-packed games while the others eat lunch — and then they switch.

POP-UP VENTURE™:

To create their own pop-up shop, campers use green energy and awesome entrepreneurship skills.

INVENTION CELEBRATION™:

Campers become confident event planners as they set the mood with lights, music and an innovative Party Assistant!

P.M. BASE CAMP

The day wraps up as campers wind down with problem-solving games.

All images feature actual campers enjoying our new 2023 program.
