

# SHARE CARTS

## NOW AVAILABLE IN ALL NASD CAFETERIAS

Students who purchase a school lunch may place any unwanted and unopened food on this “share bin”. If you are still hungry after you have finished your own lunch, you may choose one item from the share bin at no cost!

Reduces waste in the National School Breakfast and Lunch programs

Additional food at no charge for students needing extra nutrition

Additional fruit and vegetable offerings for students

Monitored by food service staff

Allergen list attached to all share carts

Cold zone available for milk and juice

On June 22, 2016 the United States Department of Agriculture in conjunction with the Richard B. Russell National School Lunch Act began innovating share table/carts as an innovative strategy to encourage the consumption of nutritious foods as well as reduce food waste in the National School Breakfast and Lunch Programs. The Pennsylvania Department of Education reissued this innovative strategy as an abundance of packaged fruits and vegetables were being wasted in the National School Breakfast and Lunch programs.
