TOURNAMENT

About KCMF

Kaitlyn Carson Memorial Foundation was created to honor and continue the legacy of a courageous woman.

At the young age of 31, Kaitlyn passed away after a battle with breast cancer. Anyone who had the honor to get to know Kaitlyn knows that she had a fierce passion for teaching and reading. KCMF found no better way to honor her than to create a scholarship in her name.

The scholarship will be made available to Nazareth Area School District graduates with a particular field of study in education.
