

Junior Volunteers needed!

Gracedale Nursing Home, in Nazareth, PA, is looking for high school students 14 years and over to participate in its summertime Junior Volunteer Program. Students earn community service hours while learning about responsibility, accountability, and time management in a busy, energetic environment. Students generally assist in one of three areas:

-  **Resident Transport** - Help our residents get to where they need to be in the facility in a timely manner. Volunteers help residents get to physical/occupational therapy appointments, beauty shop appointments, and clinic appointments, all right here at Gracedale.
-  **Activity Assistants** - There is always something going on at Gracedale to keep our residents busy! Help our Therapeutic Recreation staff transport residents to an activity, then help with the actual activity. Some of our more popular events are bingo games, special lunches, and card tournaments.
-  **One to One Visits** - Gracedale values compassion and patience as we are always seeking individuals who enjoy giving their time to others. Sit with residents while engaging in conversation, reading, assisting with letter writing, or anything else that may foster a relationship between resident and volunteer.

**Volunteers are needed Monday - Friday, 9:00am - 3:00pm,
with a commitment of at least one day per week.**

**All applicants must be available to attend orientation on either
Monday, June 12th or Thursday, June 15th from 9:00am - 3:00pm.**
